## **M.A./PhD Programs in FEMINIST STUDIES at UC Santa Barbara**

**The Women's Studies Program is now  
The Department of Feminist Studies**

The new graduate program in Feminist Studies will offer three areas of emphasis, all from intersectional and transnational perspectives:

- **Productive and Reproductive Labors**

In addition, we will offer admission to teachers and those seeking careers in the public sector or non-governmental organizations interested in an independent M.A. program.

UC Santa Barbara joins a select group of universities offering a PhD in Feminist, Gender, or Women's Studies! The first cohort of graduate students begins September 2009.
